SIDI CROSSFIRE TA

THE SOLE

Best suited for riders whose feet are off the pegs often.

Easily replaced by a cobbler.

TA has excellent rear brake feel.

Composite inner sole.

PROTECTION

Toe area covered in protective plastic.

Rigid, shock resistant, anatomically shaped heel for maximum protection.

Replaceable inner kickstart/footpeg guard on both boots.

Malleolus external guard to enhance protection of those tender small foot bones.

FIT & FUNCTION

Fully adjustable calf area.

Cam-lock buckle system.

Dual Flex System upper.

Removable arch support.

Italy's finest top grain leather is used as a base material with Lorica being used on the tongue area.

Slim, cool non-bootie design.

Cambrelle lining.

All bolt-on parts are replaceable.

Reviews

When you think of high-end boots, Sidi's Crossfire should be one of the first things that comes to mind. It's that good.

Motocross Action

Sometimes a product comes along that simply feels like it was custom made for you; and when it comes to motocross boots, for me that product is the Sidi Crossfire. I recently unpacked a new pair and went riding - immediately they felt perfect on my feet. While comfort is key for me, I must add that so is safety; and feeling safe is how I feel wearing Sidi.
